

## Dr Kshitij (Kish) Mankad MRCP, FRCR

Clinical Lead for Paediatric Neuroradiology and Associate Professor  
Great Ormond Street Hospital for Children, London & University College London, UK

### Professional Qualifications- *Clinical*

2011	<b>Fellowship Training in Adult and Paediatric Neuroradiology</b> Pan London rotational fellowship
2008	<b>FRCR (Fellowship of the Royal College of Radiologists)</b> Royal College of Radiologists, UK
2005	<b>MRCP (Membership of the Royal College of Physicians)</b> Royal College of Physicians, UK
2000	<b>MBBS (Bachelor of Medicine and Bachelor of Surgery)</b> Bangalore University, India

### Professional Qualifications- *Allied*

2019	<b>MBA [essentials]</b> London School of Economics, UK
2009	<b>Trained Lean Six Sigma Master Black Belt</b> 100% Effective training Ltd., CPD UK certified, UK
2008	<b>Post Graduate Certificate in Health Research</b> University of Leeds, UK
2002	<b>Post Graduate Diploma in Hospital and Health Care Management</b> Symbiosis Centre of Health Care, India

### Affiliations

Jul 2011 to present:	Great Ormond Street Hospital, London
Jun 2017 to present:	University College London Hospital, London

### Positions

- **Clinical Lead for Neuroradiology**, Great Ormond Street Hospital, London (since June 2019)
- **Associate Professor**, University College London Hospital, London (since February 2020)
- **Pediatric sub-committee Executive Member**, European Society of Neuroradiology (since October 2019)
- **Regional Specialty Advisor for Radiology**, NE Thames region, Royal College of Radiologists (since 2015)
- **National Assessor of Imaging Services**, United Kingdom Accreditation Services (since 2016)
- **Audit & Quality Improvement Lead**, Great Ormond Street Hospital, London (since 2017)
- **Medical Information Officer**, Great Ormond Street Hospital NHS Trust (2014- 2017)
- **Associate Editor** *PMJ*, BMJ Group (2008-14), *QIMS* (since 2015), *DMCN* (since 2019)
- **Founder** Radiology Recipes Limited (since 2007) [www.radiologyrecipes.com](http://www.radiologyrecipes.com)
- **Founder, Seminars in Paediatric Neuroradiology** (since 2018) [www.spin-academics.com](http://www.spin-academics.com)
- **Memberships**: European Brain tumour group (SIOPe); American Society of Pediatric Neuroradiology; European Society of Neuroradiology; European Society of Pediatric Radiology; Society of Pediatric Radiology; Radiological Society of North America; UK Childhood Cancer and Leukaemia Group.

## Achievements

- 2020 WFNRS **International Outreach Professorship** award to Ghana.
- Set up the **International Paediatric Neuroradiology Teaching Network** in association with ASPNR and ESNR.
- **Visiting Professorships:** University of Messina in Sicily (2015-19); SickKids Hospital and University of Toronto (2018); University of Arkansas (2020); University of Colombia (2020); Myanmar Paediatric Society (2020).
- National/International **panel invitations:** COST Neuro-MIG for Cortical Malformations; MAGNIMS for Multiple Sclerosis imaging guidelines; RAPNO & SIOPe for Brain Tumour imaging guidelines; RSNA Education Committee (2018); NICE (Adoption and Impact) (2016-19).
- Awarded **Trainer of the Year** at the Health Education England Quality Awards for North East Thames Region for 2015-16.
- Awarded **Paediatric Neuroradiology Consultant of the Year** by Global Health Pharma: <https://www.ghp-news.com/2019-dr-kshiti-j-mankad-2019>.
- **Special recognition award**, Zenith Healthcare awards, 2018 <http://zenithglobalhealth.com/2018-winners/>.
- Nominated **Consultant of the Year** at the GOSH Annual Awards in the year 2016-17.
- Served as **Consultant Training Adviser** to the Society of Radiologists in Training, UK (2013-16).

## Academics

- **Peer reviewed research publications:** (<https://www.ncbi.nlm.nih.gov/pubmed/?term=mankad+k>)- 160 indexed papers.
- **Text books:** Acute CT: A Primer of Emergency Imaging. RSM publishing limited 2010; Hot Topics for the FRCR II A. Jaypee Publications 2010; MRI of the Whole Body- An Illustrated Guide to Common Pathologies. RSM publishing limited 2011; Case Reviews in Ultrasound. Paras publishing limited 2009.
- **Book chapters:** Response assessment in brain tumors. Pediatric Oncology Springer, 2019; Brain Imaging in Neurosurgical Intensive Care'. Neurocritical Care, Springer Ltd 2009; EMQs and MCQs, Volume 1 & 2, Succeeding in Paediatric Surgery Examinations, Masterpass.
- **Academic awards:** Best research paper by Clinical Radiology Journal for 'Radiology curriculum for undergraduate medical studies.' 2012; Best research presentation at British Society of Neuroradiology, York, 2016: Diagnostic algorithm for relapsing demyelinating disorders; Best research paper at European Society of Neuroradiology, Belgrade, 2016 for study on relapse rates of cavernomas; Best Poster British Society of Paediatric Radiology meeting in 2006: 'CT Brain scans in suspected Non-Accidental Injury'.

## Teaching & Training

- Delivered over 200 invited lectures across the world with invitations to the American, European and Latin American Societies of Paediatric Neuroradiology.
- Set up dedicated Paediatric Neuroradiology training courses in the UK, Australia, Brazil, India and Nepal.
- Set up the global International Paediatric Neuroradiology Teaching Network run through 2020.
- Established a PG Certificate in Paediatric Neuroradiology at GOSH- 2019.
- Established a Child Neurology Certification Program in association with the ICNA- 2020.
- Established regional Pan-London educational meetings to share knowledge, discuss complex cases and themes.
